OLWA University's highly effective student placement program stands students in good stead when it comes to finding a job in some of the world's biggest and most prestigious organizations

# OLWA University Accreditation

All degree, diploma and certificate programs offered by OLWA University are accredited by the Global Accreditation Council for Online Academia (GACOA). Unlike regional or national accreditation bodies that provide accreditation to higher education institutes based on their regional proximity, GACOA is an international accrediting body, that evaluates the quality of education for universities focused on providing executive education to working adults around the globe.

The transparent evaluation system of GACOA goes beyond marking universities as pass or fail; instead, they provide a score based on the quality of education that the university is imparting. Furthermore, GACOA evaluates every university that they accredit on periodical basis to ascertain that the score that they have given is consistent with the quality of education that they are currently.

GACOA has awarded OLWA University its Accreditation Status after in-depth evaluation through its unique patented accreditation process. OLWA University has been evaluated on the GACOA standards of the global best practices for working adults educational institutions in Organizational Management, Academic Management and Institutional Performance. OLWA University has been declared fully capable of upholding the responsibility of imparting quality education through its educational system.

## **Course Content Quality**

Our proprietary educational courses and programs have changed the way students learn online or on-campus. More than 1100 courses are created by more than hundreds of educationists, experts, and teachers from around the world. The course material includes, in addition to standard book text, online interactive game based learning, flash games for exercise, videos and other forms of rich media content.

# Student Services

OLWA University offers the most comprehensive student services. All the student services of OLWA are designed keeping in view the requirements of working adults, allowing them to study with complete ease. Availability and easy accessibility to all the student services is one of the main reasons why OLWA is the first choice of working adults across the globe.

## Financial Aid

Every year, around 90% of our students are able to qualify for a substantial financial aid program which is applicable to different people like working adults, job seekers, home education students, veterans, and military officials. This program is completely managed by OLWA University and there is no government involvement. The best thing about this program is that its procedure is very easy and before taking admission you will know the exact percentage of financial aid you can qualify for.

## Credit Transfers of already studies courses:

OLWA University provides FREE credit transfer service to all students. If you already possess credits relevant to your education at OLWA, we will accept these credit hours and reduce the equivalent from your program. So you will not have to study that course again, enabling you to reduce both your tuition and time required to complete your education.

## Easy-to-use personalized student area

As soon as you enroll at OLWA University, you will get easy-to-use personalized student area, through which you can easily manage your complete program. Also all the administrative work such as requesting transcripts, etc., can be done easily from this area. With this area you can:

- View complete summary of your current and previous programs
- View your program schedule
- Pay fees and enroll in courses
- Request documents
- Manage your complete communication with the University
- Update your profile
- Change major and apply for a new program

# Student Services
